Town Hall III: COVID Update with Dr. Raphy

March 2, 2021

00:23:01

Beverley Candlelighters Family Camp: Wish I was back home in NZ!

00:23:34

Rich - CKAKC & Camp H-Town: I'm hopeful for Winter Weekends for sure

00:35:33

Dave Caterino - Camp Takumta VT: Good to be a nerd!! :

00:40:38

Beverley Candlelighters Family Camp: How did those Russians get 92% efficacy?

00:41:18

Dave Caterino - Camp Takumta VT: And STOP!

00:44:0

Katie Camp Goodtimes at YMCA Camp Reed: so good! thanks Doc!

00:47:4

Dianne Camp Anuenue: CDC recently made changes to their website that explicitly list camp staff in Phase 1b of their vaccination prioritization.

00:49:0

Dennis DePaul: It's public and on our website.

00:51:0

Tanya Krohn/Goodtimes: Love your transparency and honesty Dr. Landovitz. Thank you.

00:52:0

Dennis DePaul: I thought we were not allowed to require vaccines for *paid* staff - but that we could for volunteers.

00:55:2

Deb Echtenkamp: thank you

00:55:3

Mike - Camp CARE: Nice dance moves doc! haha

00:55:4

Dave Caterino - Camp Takumta VT: Mississippi removing mask mandate as well I believe.

00:55:5

Beverley Candlelighters Family Camp: Texas - land of the free, home of the brave!

00:56:1

Ryan, Happiness Is Camping: Are certain cancers more at-risk than others?

00:57:3

Beverley Candlelighters Family Camp: Sickle cell is also considered higher risk.

00:58:1
Barbie - Camp Rainbow (MO): Patients with sickle cell definitely have disproportionately worse outcomes with COVID - there have been some published studies surrounding this

00:58:3
Deb Echtenkamp: Rich love the background...No Whammies!

01:00:1
Beverley Candlelighters Family Camp: One of my campers who had osteosarcoma, then ALL from treatment then a BMT - had a mild covid case - amazing!

01:03:1
Dennis DePaul - TKT: It's CAMP!!

01:03:3
Rich - CKAKC & Camp H-Town: Wait, was that the one joke?

01:04:0
