COCA-I will facilitate two electronic town halls for medical professionals to meet, discuss, pose and find solutions to the most pressing issues we currently face. We will use GoTo Meeting to provide a framework for the discussions.

Please forward this invitation to any in your camp who may be interested. There is no restriction on the number of people to join the conversation. If medical staff is not available, consider having someone in attendance who can inform them of the discussion.

Each meeting will be facilitated by COCA-I’s President, Matt Ruttler and President-Elect, Dr. Kaye Wagner. The meetings are scheduled to last about 1 hour. We have a “fluid” agenda (below) to initiate the conversation. However, each meeting will be unique because it will be guided by the participants.
