

FOR ONE ANOTHER FAMILY CAMP 2018

For One Another Family Camp (FOA) is a free-of-charge camp available to any family in Montana who is dealing with a cancer diagnosis in the family. FOA provides four days of supportive, educational and recreational experiences for the whole family. Along the beautiful shores of Flathead Lake, families will learn better coping skills and find a new support network among other families facing the same struggles. Most importantly, families will spend quality time with each other and have a bunch of FUN!
