

Mission: To ensure that all people impacted by cancer are empowered by knowledge, strengthened by action, and sustained by community.

Values of Cancer Support Community Montana

1. *Golden Rule.* Everyone is welcome here and will be treated with honor, respect and confidentiality. We will treat others as we wish to be treated with each staff member, volunteers, participants and the community, providing trust as we assume good will.
2. *Collaborate.* Cancer Support Community values, and is invested in, collaboration and partnership with the medical community and other stakeholders to form a comprehensive team with the community as a whole.
3. *Participants First.* Our Community is here first for participants as we provide a warm, nurturing, respectful environment that celebrates the people who enter as they seek to improve quality of life.
4. *Sustainability.* Dedicated to sustaining the mission through ethical philanthropy and fiscally responsible decision-making.

Program Vision: Programs will optimize the health and wellbeing of all individuals, couples and families touched by cancer. We accomplish this through research informed and integrative approach from diagnosis throughout the lifetime.

Volunteer Vision: to provide a platform for Volunteers to give from the heart, share their talents, impact our community, and support our mission to improve the lives of those affected by cancer. We embrace each and every CSC volunteer with deep appreciation, providing value & importance to their CSC experience.
